US Class Dean Update

Hi 10th grade families,

I hope all of you are doing well. I just have a few updates for you:

Makeup Photos Tomorrow

Makeup photos will be taken at the back of the STEM building tomorrow from 11:30 AM to 1:30 PM.

Drop-Off and Pick-Up Reminders

This is a reminder regarding traffic flow and student safety during morning arrival and afternoon dismissal, particularly around the North Woodland Street entrance:

1. On-Campus Pick-Up and Drop-Off Only

All student drop-offs and pick-ups must take place on campus. Dropping off or picking up students outside the campus gates—especially double-parking along North Woodland Street—creates severe traffic congestion and poses a serious safety hazard to our students. Additionally, we must remain mindful of our neighbors, who have raised valid concerns about blocked streets and access.

2. Keep the Morning Car Line Moving

During morning arrival, especially between 7:50 AM and 8:05 AM, please do not stop to let students out in the middle of the driveway or immediately after passing through the Woodland gate. Stopping early blocks incoming vehicles, causing backups onto public roads and delaying other families. Please pull all the way forward to the designated drop-off zone before letting students exit your vehicle.

3. Follow Staff Instructions and Show Respect

Our facilities and traffic personnel are out each day working hard to keep cars moving smoothly and ensure everyone gets to school safely. Please follow their directions and treat them with courtesy and respect. To support our staff and maintain safety, our on-campus police officer will also be stationed along this route during peak morning and afternoon hours. Thanks for your cooperation on this.

Have a great evening, and I hope to be seeing you soon at our 10th Grade Parent Forum on November 16 at 7:00pm.

Best,

Brian
